A Comprehensive Plan is the Borough's road map for the future!

It is an adopted public policy document that provides long-range guidance for land-use, transportation, economic development, housing, public facilities, and natural resources.

A Comprehensive Plan allows the citizens and local decision makers to identify and respond to changing community opportunities, challenges, and desires in a proactive and thoughtful way.

EXHIBITS WILL COVER:

DRAFT Plan Recommendations:

- **Town Center Plan**
- **Economic Development Plan**
- **Neighborhoods Plan**
- **Connectivity Plan**
- **Service and Facilities Plan**

Residents are welcome and encouraged to attend!

Supervised children are also welcome and encouraged to attend and participate.
