## OCTOBER 2015

### WELCOME COURTNEY BURKHARDT AS THE JCP

Congratulations go out to Courtney Burkhardt for being appointed as Atglen Borough's first Junior Council Person (JCP). Courtney is attending Council meetings and will work with Borough Council and the staff on projects. Courtney is a Junior at Octorara High School and is the daughter of Jade and Drew Burkhardt.

### FLUSHING HYDRANTS

Twice a year, in the Spring and Fall, we flush the water mains in our distribution system by opening up the fire hydrants. This cleans out the build-up of mineral deposits and sediment inside the water main lines. Also, we take this opportunity to test our hydrants for fire flows.

### WHEN ARE WE FLUSHING HYDRANTS?

Tuesday, October 13  
Rain Date: Thursday October 15

### DISCOLORATION AND CLOUDY WATER

Your water may appear discolored or cloudy the day of and the day after the flushing. This is due to the movement of the sediment in the water lines. If this happens it is not harmful. Let your water run until it becomes clear.

### WHAT SHOULD I DO TO PREPARE A DAY OR TWO BEFORE THE FLUSHING

- Wash your laundry. Run your dishwasher.
- Store a pitcher or bottle of water in your refrigerator for drinking and cooking.

**If you operate your clothes washer during the flushing event and your laundry appears stained do not use bleach and do not put your wet laundry in the dryer.** Rewash the clothes using more detergent after you have confirmed the water is running clear.

### LEAF COLLECTION

Weather permitting; Leaf Collection will take place every Monday beginning October 26<sup>th</sup> and continue until the leaves are down. Rake your leaves into a pile along the gutter.

Please remove branches and other debris.

### TRICK OR TREAT

Trick or Treat will be held on Saturday, October 31<sup>st</sup> from 6:00 to 8:00 p.m. for children 12 years of age and under.
